DETAILED ACTION

Status of Claims

Claims 1-5 and 7-10 are cancelled and Claim 6 is as previously presented.

Response to Amendment

The declaration under 37 CFR 1.132 filed 10/23/2009 is insufficient to overcome the rejection of claim 6 based upon Grant et al (US 3,015,558) as further evidenced by "Material Hardness" as set forth in the last Office action because: Declarant refers to "included Table 1" on page 4, line 1 of the declaration. However, this table was not filed with the declaration and therefore any statements made by Declarant with respect to any comparative data contained in the missing Table cannot be properly evaluated.

Claim Rejections - 35 USC § 103

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim 6 is rejected under 35 U.S.C. 103(a) as being unpatentable over Grant et al (US 3,015,558), as further evidenced by "Material Hardness," in view of Karlstrom.

Grant, as further evidenced by "Material Hardness," in view of Karlstrom is applied as discussed in the office action mailed 4/23/2009.

Response to Arguments

Applicant's arguments filed 10/23/2009 have been fully considered but they are not persuasive. See the above comments regarding the declaration.
